### INITMATION PURSUANT TO REGULATION-30

Gorani Industries Limited is delighted to inform that the Company has developed a new model in the range hood segment. The product is fit for the Indian Household as it is very economical and compact.

The Company have completed with the testing and production of initial lot of 800 units which have been dispatched in the market as well. Gorani Industries Ltd has also finished testing of one more model of gas stove, the production of which shall be started soon.

The Company has recently roped in Mr. Venkateswaran V. as its production head and Mr. Aditya Sharma for the heading of its QC department as the Company is adding more range of products in its future, the capacity extension in terms of machinery and manpower is in line.

The company has seen an exponential growth in its YOY comparison of Q1. Against revenue of 23 million in Q1 2021, we expected an increase of more than 300% in revenue in the Q1 of the current financial year.
