Apex court notice to Adani Group on DRI's appeal

SC bench stays Bombay HC order

AGENCIES
New Delhi

The Supreme Court on Wednesday issued notice to Adani Enterprises on an appeal by Directorate of Revenue Intelligence (DRI) in a matter connected with the alleged over-invoicing of Indonesian coal imports.

A bench headed by Chief Justice S.A. Bobde stayed the Bombay High Court order that quashed letter rogatories (LR) which sought information from foreign countries on the import of coal by Adani. Solicitor General Tushar

Mehta appearing for DRI contended before the apex court that the investigation into the matter should continue.

The DRI is probing nearly 40 companies for overvaluation of imports.

A letter rogatory is usually sent by a country to another country to seek assistance with help of foreign judicial authorities to investigate an offshore entity, which is believed to have a connection with an ongoing probe.

The Bombay High Court in October last year quashed all the LRs sent by DRI to Singapore and other countries in its probe on Adani group firms for allegedly over-invoicing the coal imported from Indonesia between 2011 and 2015.

The High Court observed that it did not go into the merits of the LR issued by

the magistrate, but found the due process was not undertaken while issuing these letters.

The DRI vehemently opposed the High Court order and sought its stay as the investigation is underway.

In September last year, Adani Enterprises Limited moved the High Court seeking quashing of the LRs which were issued in 2016.

The DRI in March 2016 initiated investigation against a few Adani group firms for allegedly over-invoicing coal imports from Indonesia.

The LRs were issued to Singapore, Dubai and Hong Kong, seeking assistance in accessing documents in possession of three state-owned banks in connection with the transactions under investigation.

BJP routed in RSS bastion-Nagpur ZP

AGENCIES
Nagpur

The Congress-Nationalist Congress Party combine handed a humiliating defeat to the ruling Bharatiya Janata Party in the elections to the prestigious Nagpur Zilla Parishad - the home turf of Leader of Opposition Devendra Fadnis and the Rashtriya Swayamsevak Sangh - officials said here on Wednesday.

Of the total 58 seats for which polls were held, the Congress bagged 31, the NCP 10, while the BJP managed only 14 seats.

The ruling Maha Vikas Aghadi ally Shiv Sena chose to contest alone and had to be content with just one seat, while two seats were won by Independents in the prestigious local body. The elections for the 58 Zilla Parishad seats and 116 Panchayat Samitis were held on January 7 and the results were declared on Wednesday.

Even in the Panchayat Samiti polls, there was a

shock in store for the BJP as Congress Mahendra Dongre bagged the seat in Dhapewada - the native village of Union Minister Nitin Gadkari.

Congress' Nana Kambale dealt another blow by bagging the Koradi seat - the hometown for former BJP minister Chandrashekhar Bawankule.

Satli A. Deshmukh, the son of NCP's state Home Minister Anil Deshmukh, won from Metpanjara while another senior NCP minister Ramesh Bang's son Dinesh R. Bang bagged the Hingna seat.

The Nagpur Zilla Parishad and many other local bodies were under the control of the BJP-Sena when they were allies, till the Sena joined the MVA with Congress-NCP in November 2019.

Besides Nagpur, the Zilla Parishad and Panchayat Samiti elections were held in Palghar, Akola, Nandurbar, Washim and Dhule, official results of which are awaited.

PM TO SKIP 'KHELO' INDIA IN GUWAHATI

NEW DELHI: PM Modi won't be coming to Guwahati on January 10 to declare open the 'KheLO India' Games in the state capital due to 'lack of time', a senior BJP leader said on Wednesday.

"It (the visit) is cancelled," Assam BJP spokesman Dewan Dhruva Jyoti Maral told IANS. The news of the prime minister not coming to Guwahati for the games comes amidst the ongoing protest against the Citizenship Amendment Act. The All Assam Students Union (AASU), which is spearheading the protests against the new citizenship law, had warned of mass protests if Modi came here for the games.

Last month, Japanese PM Shinzo Abe's visit was called off after an annual summit between the prime ministers of the two countries in Guwahati was postponed because of the anti-CAA protests.

Ansarullah case: NIA names 11 TN residents in charge sheet

AGENCIES
Chennai

The NIA on Wednesday named 11 Tamil Nadu residents in its charge sheet for their involvement in Ansarullah case, pertaining to attempts to 'establish Islamic rule in India through jihad', which is being probed by the anti-terror agency since July last year.

The National Investigation Agency (NIA) filed the chargesheet in a special court, Chennai against the accused identified as Hassan Ali, Haris Mohamed, Mohammed Ibrahim, Mohamed Sheikh Maitheen, Meeran Ghani, Gulam Nabi Asath, Ahmed Azarudeen, Toufiq Ahmed, Mohamed Ibrahim, Mohamed Afzar and Farook.

They were charged under Section 120 B (criminal conspiracy) of Indian Penal Code and Unlawful Activities (Prevention) Act.

ties, the NIA said.

"They were arrested on their deportation from the UAE in July 2019. Hassan Ali, and Haris Mohamed were arrested from Nagapattinam district of Tamil Nadu in mid-July 2019 after recovery of incriminating materials during searches at their houses."

Investigation in UAE and India has established that the charge sheeted accused persons had formed a pro-jihad 'jamaat' (congregation) under the leadership of Mohamed Sheikh Maitheen in UAE and that they had organized meetings and classes at various places in UAE and India on topics like jihad and Khilafat (Caliphate), said the agency.

"The meetings were against democracy in India with the intention of establishing Islamic rule here through violent jihad and by promoting unlawful activities."

Hassan Ali, Haris Mohamed, Mohammed Ibrahim, Gulam Nabi Asath and Toufiq Ahmed were also associated with the proscribed Islamic State by subscribing to and disseminating the violent jihadi ideology of the terror organisation. "Since the criminal conspiracy in this crime was hatched and considerable part of the pursuant acts committed in the UAE, investigation is continuing against accused Rafi Ahmed, Munthasir, Umar Barook, Moideen Seeni Shahul Hameed and Faizul Sharief, deported from UAE, besides Seyyed Mohammed Buhari and Divan Mujipeer, who are residing in Tamil Nadu."

Swapan Dasgupta, Visva Bharati VC confined by SFI activists

KOLKATA

BJP Rajya Sabha member Swapan Dasgupta and Visva Bharati Vice Chancellor Bidyut Chakraborty, who were scheduled to attend a lecture series on the new citizenship law, were confined by SFI activists near the main campus on Wednesday.

Dasgupta described the chain of events as "Left fascism".

A section of the students raised slogans against Dasgupta and shouted 'go back' slogans to stall the programme at the Lipika Auditorium on the campus.

The authorities then moved the programme to the Social Work Department at Sreeniketan, some distance away from the main campus. But the SFI activists reached there and locked the gate of the department, confining Dasgupta, Chakraborty and a few other officials.

Dasgupta said he had come to the university at the invitation of the Vice Chancellor.

"It was not a party or political platform. It was a programme as part of a lecture series. Now if somebody wants to attack this, I will say it is a reflection of their mental thought process and shows they are not interested in a democratic discussion."

Envoys from 16 countries, including US to visit J-K today

NEW DELHI: US Ambassador to India Kenneth I. Juster will be among envoys of 16 countries who will undertake a two-day trip to Jammu and Kashmir starting Thursday, officials said, the first visit by diplomats since abrogation of the erstwhile state's special status on August 5 last year.

Obesity linked to higher risks of common cancers

NEW DELHI:

Researchers in Denmark found that overweight and obesity were associated with higher risks of several common cancers and according to health experts here obesity may worsen the cancer survivorship, including quality of life.

According to the study, published in the Journal of Internal Medicine, there were 20,706 cancers among 313,321 adults diagnosed with overweight and obesity compared with 18,480 cancers that were expected based on information from the general population. This corresponds to a 12 per cent higher risk associated with overweight and obesity. Excess body weight or obesity in itself may be a root cause for a

number of chronic diseases and some cancers, the health experts said.

Ashish Goel, Associate Director, Surgical Oncology at Jaypee Hospital in Noida said that extra body fat undoubtedly reduces the immune system of the body, and functioning of the hormones and cells which further results in abnormal number of cells and can increase the risk of tumour formation.

"Obesity is a well known predisposing factor for endometrial ovarian breast and stomach cancers and to some extent for kidney cancers," Goel told IANS.

The study also revealed that having type 2 diabetes or alcoholism-related diseases in addition to overweight or obesity was linked with even higher risks.

Tihar to write to UP prisons seeking services of two hangmen

NEW DELHI: Tihar Jail will seek the services of two hangmen from Uttar Pradesh to execute the four convicts in the 2012 Nirbhaya gangrape case, the jail authorities said on Wednesday. "We will most likely write to the prison authority of Uttar Pradesh on Thursday and seek services of two hangmen depending on the availability," a senior Tihar Jail official said.

Uproar in Jharkhand House as MLA drags RSS into lynching case

AGENCIES
Ranchi

The Jharkhand Assembly on Wednesday witnessed uproarious scenes when a Congress legislator Irfan Ansari dragged the RSS into the lynching of Tabrez Ansari last year.

Irfan Ansari, speaking on the motion of thanks to the Governor's address, said "BJP and RSS are responsible for the killing of Tabrez Ansari". The Congress legislator's remark invited a sharp reaction from the BJP MLAs.

Tabrez Ansari was thrashed by a mob in the Seraikela-Kharsawa district of Jharkhand on June 17, 2019 resulting in his death a few days later.

The BJP legislators started demanding that the 'unsavoury' remark made about the BJP and the RSS should be expunged and said that the Congress legislator should express regrets about making such a comment. The legislators came to the well of the House demanding an apology and expunging of the remark.

"What is the proof of the Irfan Ansari allegation," said BJP legislator C.P. Singh.

Assembly speaker Rabinranath Mahto pacified the BJP legislators and asked them to return to their seats. The Speaker later expunged

the Congress legislator's remark.

The BJP legislators however stuck to the demand for an apology by Irfan Ansari and again came to the well of the House. "Dismiss Irfan Ansari from House" and "Irfan Ansari must tender apology" were some of the slogans raised by the BJP legislators.

The Assembly Speaker's move to pacify the BJP legislators however failed. He left the apology issue to the conscience of the Congress legislator, who categorically said that he would not apologise.

The BJP legislators then raised more slogans forcing the Speaker to adjourn the House.

455 infant deaths...

Ready to hang...

I have no other source of earning. Sirf fansi se jeevan chal sakta hai (only by executing the death penalty can I earn my living), Pawan said. "My daughter is grown up. But I have no money to marry her off. My ancestral house is in dilapidated condition but I have no funds for repairs. I am already in debt and hounded by lenders. Believe me, this money (Rs 1 lakh) gives me a new lease of life." Asked about the payment by the government for hanging the convicts of Nirbhaya case, Pawan Jallad explains: "For every execution, a hangman gets Rs 25,000. As there are four death row convicts (in Nirbhaya case) so I would get Rs 1 lakh. It's a big reward. Earlier my grandfather Kaluram (aka Kallu) used to be paid only Rs 200 per hanging. I remember in 1989, I went to Agra Central Jail to execute the death row convict of a rape and murder case. I tied the feet of the convict while my grandfather pulled the rope. We got only Rs 200 for this execution."

Pawan's father Mammu Jallad was also a well-known hangman in north India, he claims. He says that his father and grandfather executed the hanging of Satwant Singh and Kehar Singh, convicted in assassination of Prime Minister Indira Gandhi, and also recalls names of several other infamous death row convicts whose hanging was executed by Kallu or Mammu.

Pawan also clarified that the common perception about hangmen being alcoholics is wrong. "Believe me, I have never taken alcohol. I do not drink though people say that before executing any hanging we first get drunk. It's a lie. We are sober and restrained when we pull the ropes. It's our job," he said.
