82-yr-old woman becomes Sikkim's oldest paraglider

GANGTOK: An octogenarian, who is a grandmother of three, has become the oldest paraglider in Sikkim, the Paragliding Association of the state said on Saturday. 82-year-old Dukmit Lepcha took to the skies on October 28 from a paragliding point near Aangi monastery at Ranka, which is a small town 20 km from capital Gangtok, sources in it said. The oldest paraglider registered by Sikkim Paragliding Association before Dumkit Lepcha was a 68-year-old man, sources in Paragliding Association of Sikkim said.

For Trump...

"Joe Biden will become the 46th president of the United States", CNN projects, after a victory in the state where he was born put him over the 270 electoral votes needed to win. "Former vice president Joe Biden is projected to win Pennsylvania and its 20 electoral votes, according to Edison Research, putting him over the 270 needed to win the presidency," The Washington Post reported.

The call came about 11:30 a.m. Saturday (local time), after a report of more counted votes from Pennsylvania. "Joseph Robinette Biden Jr. was elected the 46th president of the United States on Saturday, promising to restore political normalcy and a spirit of national unity to confront raging health and economic crises, and making Donald J. Trump a one-term president after four years of tumult in the White House," The New York Times said. Biden's victory amounted to a repudiation of Trump by millions of voters exhausted with his divisive conduct and chaotic administration, and was delivered by an unlikely alliance of women, people of colour, old and young voters and a sliver of disaffected Republicans.

Tejashwi all...

Republic TV-Jan Ki Baat exit poll also gave a clear ma jority to the RJD-led alliance with 128 seats, while it pro jected 104 seats for the ruling NDA, seven seats for LJP and four for others. TV9 Bharatvarsh projected NDA to win 115 seats, the grand alliance 120 and four each for LJP and others. In terms of vote share, Today's Chanakya projected 44 per cent for the RJD-led opposition alliance and 34 per cent for the NDA.

However, ABP-CVoter projected a higher vote share for NDA at 37.7 per cent followed by the grand alliance with 36.3 per cent and 26 per cent for others. India Today-Axis My India poll showed 44 per cent of respondents prefer Tejashwi Yadav as the next chief minister, while 35 per cent would like to give another chance to Nitish Kumar. It projected 44 per cent vote share for the RJD-led alliance and 39 per cent for the NDA.

In the last assembly elections held in 2015, the RJD had won 80 seats with a vote share of 18 per cent, while JD(U) won 71 seats with vote share of 11 per cent. The BJP had won 53 seats with 24 per cent vote share and Congress had 27 seats and seven per cent votes. At that time, the JD(U) had fought the election in alliance with RJD and Congress among other parties, while LJP was in the BJP-led NDA alliance. LJP had got two seats with five per cent vote share.

This time, JD(U) is back in the NDA, while LJP fought the election alone. During the 2019 Lok Sabha elections when both JD(U) and LJP were in the NDA, the alliance had won 39 out of 40 seats in the state.

Exit polls also predicted results for by-polls held in several states. According to India Today-Axis My India exit poll, the BJP government in Madhya Pradesh will survive as it projected the party to win 16-18 seats, and Congress is estimated to bag 10-12 of the total 28 seats that went to polls. Similarly, for bypolls in Uttar Pradesh, the exit poll predicted BJP to win 5-6 seats, SP 1-2 seats and BSP 0-1 seat, out of the eight seats for which polling was held on November 3. In Gujarat where voting happened for eight seats on November 3, the same exit poll projected BJP to win 6-7 assembly seats and Congress a single seat. BJP is in power in Gujarat as well as in Uttar Pradesh.

Cong, BJP...

The same is true of the Mungaoli constituency in the same district.

In Sagar district of the Bundelkhand region, the Surkhi constituency is witnessing a very close contest between Govind Singh Rajput and Parul Sahu. The two were face to face in the 2018 elections, too. However, at that time, Rajput was the Congress candidate while Sahu was the BJP nominee.

The Bada Malhera constituency in Chhatarpur district is likely to be annexed by the BJP, while there was a close contest between two parties in Anuppur constituency of Anuppur district. The Sanchi seat in Raisen district also faced close contest due to sabotage by the local BJP heavyweights, including a senior for-

Voters of Biaora constituency in Rajgarh district may prefer the BJP. The same is said to be true about Hatpipliya constituency in Dewas. In Dhar, the Badnawar seat may go the BJP way. There is close contest in Sanwer seat in Indore district but BJP finds in comfortable situation, while the Agar constituency in Agar-Malwa district may send the Congress nominee to the Vidhan Sabha. he Nepanagar (Burhanpur), Mandhata (Khandwa constituencies are having BJP flavour, but the Suvasra (Mandsaur) is in close fight.

ISRO launches earth observation satellite, 9 other spacecraft

Sriharikota

India successfully launched its latest earth observation satellite EOS-01 and nine international customer spacecraft on board a Polar rocket from the spaceport here on Saturday, in its first mission this year amid the Covid-19 pandemic.

The Indian Space Research Organisations work-Polar Satellite Launch Vehicle (PSLV-C49) injected EOS-01, intended for applications in agriculture, forestry and disaster management support and other satellites one by one in orbit around 20 minutes

Dhawan Space Centre (SDSC), about 110 km from Chennai, at 3.12 pm.

This is ISROs first mission this year after the COVID-19 pandemic induced lockdown 'disturbed 10 missions being planned by the agency and the nine customer satellites are from the USA, Lithuania and Luxembourg.

ISRO Chairman K Sivan described the mission as a "success" and termed it as "unusual" for ISRO as a rocket launch cannot happen like 'work from home' and all engineers and technicians had to travel from different centres and work together at Sriharikota for rocket launches.

"Today, I am extremely happy to declare that PSLV-C49 successfully placed earth observation satellite EOS-01 as well as nine customer satellites precisely into 575 kms orbit" he said

at the mission control cen-

Subsequent to the successful launch, the primary satellite commenced operating its own functions including deployment of solar panels, Sivan said.

In view of the pandemic, ISRO implemented precautions for Covid-19 and scientists, mission directors, project directors, were seen with face masks and maintaining social distancing at the mission control centre.

Kerala Minister Jaleel summoned

KOCHI: The Customs has summoned Kerala higher education minister KT Jaleel to appear before it as part of its probe into the alleged violation in accepting consignments of Holy Quran imported by UAE consulate officials in Thiruvananthapuram for personal use

through diplomatic channel. According to sources, the Customs has served notice to Jaleel to appear in its office in Kochi on Monday. Besides the issue of import of Quran, the agency will seek clarification from the minister on other matters under its investigation. They, how-

Unaccounted ₹1K-cr unearthed in TN

N CHITHRA / Chennai

In simultaneous searches on a private firm in the information technology infrastructure sector at 5 locations in Chennai and Madurai, the Income Tax dept has unearthed Rs1,000 crore unaccounted income.

"Of this, disclosure of additional Rs337cr income has already been made by the assessee," Surabhi Ahluwalia, Commissioner of I-T (media and technical policy) said. The sleuths found "actionable issues" under the Benami and Black Money Acts.

Ahluwalia said the search led to unearthing of evidence of investments in a Singapore registered firm. "The shareholding of this company is held by two companies, one owned

vances, police said on Saturday.

The accused has been arrested.

by the group searched, while the other is a subsidiary of a major infrastructure development and financing group," he said.

One company had invest-

ed a nominal amount though it has 72% shareholding, while the other company with 28% shareholding alone had invested almost all the money. "This has resulted in a benefit or gain of almost Singapore \$7 crore, around Rs200 crore in the hands of the company belonging to the searched group, which was not disclosed by it in its return of income," he said.

The I-T men said it would initiate proceedings under the Black Money Act, 2015, for no disclosure of foreign assets. "The present value of this investment exceeds Rs354 crore," it said.

India, China talks on border tensions end in deadlock

AGENCIES New Delhi

The military talks between India and China at Chushul in Eastern Ladakh to resolve the border dispute and de-escalation of forces ended in stalemate. The soldiers of both the countries to remain exposed to minus 20 degrees Celsius.

"There was no headway during the talks as China was not ready to withdraw from the disputed position. We had made it clear there is going back an inch," said a government source.

The eight Corps Commander level talks between also part of the delegation.

both the countries began at 9:30 am and ended at 7 pm on Friday. It was for the first time that Lieutenant General P.G.K. Menon led the Indian military delegates.

Earlier, he had attended two such rounds of talks but the delegation was led by then Lieutenant General Harinder Singh who was transferred last month to the Indian Military Academy (IMA) where he would be in charge of training the future generations of Army

officers. Joint Secretary from the Ministry of External Affairs Navin Srivastava was

"We have firmly stated to China that disengagement will happen at all friction points and not at the selected locations as they want. Our stand is clear," the source said. While talks were on, Chief of Defence Staff General Bipin Rawat on Friday claimed that situation at Line of Actual Con-

trol remains to be tense and

war with China cannot be

ruled out. He said: "In the overall security calculus, border confrontations, transgressions, unprovoked tactical military actions spiralling into a larger conflict therefore cannot be discounted."

Cong staunchly opposes release of Rajiv case convicts **CHENNAI**

Opposing the release of seven Rajiv Gandhi assassination case convicts, Congress in Tamil Nadu said on Saturday that political parties making this demand was unacceptable.

Against the backdrop of parties, including its key ally in Tamil Nadu the DMK pressing for release of the convicts, including A G Perarivalan, whose plea for pardon is pending with the Governor, TNCC chief K S Alagiri said only the judiciary should decide on remission of their sentences.

India will give you ease of doing business: Modi to IIT students

New Delhi

PM Modi on Saturday said the country will ensure 'ease of doing business' for its youths while they should work for providing 'ease of living' to people, particularly the poorest of the poor, through innovations.
