SLEEPY JOE WAKES...

Earlier in the day, he claimed he was the victim of a nationwide conspiracy to oust him from the White House At an official press conference, he accused the Democ rats of massive ballot fraud and alleged that the election was being stolen, a conspiracy by big tech, big money, the Democrats and the media. He did not offer any evidence to back his claim. Several American news channels on Thursday evening cut off the live telecast of Trump's news conference as they believed that his allegations were without any evidence. ABC, CBS and NBC were among those that walked out, warning view ers that Trump had made 'a number of false statements' that needed clarifying. Fox News and CNN, how ever, covered the conference in full. In a series of tweets, Trump continued with his diatribe - attacking social media regulation, making baseless claims of fraud, casting doubt over several close Senate races. and calling on the Supreme Court to intervene. Biden decided to talk sense, realizing that a weary nation was waiting for the farce to be over. "In America, the vote is sacred. It's how the people of this nation express their will. And it is the will of the voters, no one and not any thing else that chooses the President of the United States. So, each ballot must be counted and that's what is going on now. And that's how it should be," Biden said in his address to the media in Delaware. "Democracy is sometimes messy, so sometimes it requires a lit tle patience. But that patience has been rewarded now for more than 240 years with a system of governance that has been the envy of the world. We continue to feel very good about where things stand," he said.

War with China...

His statement came amid ongoing military talks between India and China at Chushul on Friday. He was speaking at Diamond Jubilee Webinar, 2020, organised by the National Defence College in Delhi. However, the CDS also pointed out that India's posturing is unambiguous and she "will not accept any shift in Line of Ac tual Control". He also said that China's People's Liberation Army is facing unanticipated consequences for its misadventure into Ladakh because of firm responses by Indian forces. Further, speaking about defence cooperation, the CDS said that India understands the importance of leveraging defence diplomacy in building mutual trust and partnerships with strategically im portant countries. He also said that in the coming years Indian defence industry will grow exponentially and contribute to the overall defence preparedness. "The industry will deliver us state-of-the-art weapons and equipment fully made in India," General Rawat said. The officer said that as India grows in stature, security challenges will rise proportionately.

I-T searches on...

IT sources said a funding channel/chain is likely to be exposed during investigation. Mukesh's company did all advertisement work and ran campaign of Congress party in 2018 assembly elections. He also had some big advertisement projects in Chhattisgarh during Raman Singh led BJP government. Cash of more than Rs 1 crore was found during search operations from these locations. IT sources said several incriminating documents including computer hard disks, bank accounts and jewellery are being scanned to trace tax evasion. IT officials have hinted that transactions of past 10 years of these companies will be scanned. The move is expected to bring some more people or companies in its ambit. According to sources, Ad Company of Jains had bagged works of more than Rs 100 crore from state government agency. However, the payments made to the bank accounts of Jains were finally transferred to accounts of Mukesh Shrivastava. It is said that these funds were later transferred through hawala channels to political leaders. In Bhopal, office of Mukesh Shrivastava in Malviya Nagar and residence in Govindpura were searched. Office premises belonging to Vision Force Company in MP Nagar and Mansarovar Complex and residence of Sanjay Pragat in Nehru Nagar were also searched by IT teams. House and office of Javed Mian, owner of Bhopal Glass and Tent Stores at Itwara Road and at Hindi Bhawan, were searched. Some premises of people attached directly with these companies were also searched. More than 150 officials from income tax department and police personnel were pressed into search operations in Bhopal and Raipur. According to IT sources, these companies bagged high value tenders from government, got payment in crores but showed nominal income from those works by showing bogus expenses.

Covid protocol, some dressed in PPE Kits: All IT teams were well equipped to follow corona guidelines. They were wearing face shields and carried bottle of sanitisers. Some IT officials wore PPE Kit to deal with emergency. Some places were sanitized during search operations.

Bhushan regrets 'error' in his Oct 21 tweet on CJI

Activist-lawyer Prashant Bhushan has regretted the "error" in his tweet of October 21 in which he was critical of Chief Justice of India (CJI) S A Bobde being provided a spe-

said that the CJI availed the special helicopter during his visit to Kanha national park while "an important case of disqualification of defecting MLAs of Madhya Pradesh is pending before him. Survival of MP govt depends on this case". However, Bhushan on November 4 regretted the error in his earlier tweet. Elections were held vesterday to seats of defecting Cong MLAs in MP who were made min-

isters in the Shivraj Govt. Survival of Shiv-

raj govt will depend on their re-election, not

on decision of case in CJIs court challenging their ministership. I regret this error in my tweet below," the lawyer tweeted.

It is significant to note that on November 4, a bench headed by the CJI disposed of a plea that had raised the issue of pendency of disqualification proceedings against some Congress MLAs who had joined the BJP and were appointed as ministers in the Chouhan government.

The plea was disposed of after

Kapil Sibal, appearing for petitioner Congress MLA Vinay Saxena, said that bypolls on 28 constituencies in MP have been already held on Tuesday rendering the plea as infructuous.

The SC, on Aug 31, had imposed a token fine of one rupee against Bhushan as punishment in the contempt case against him. Bhushan was earlier convicted for two tweets against the judiciary.

India, China military talks begin to resolve border dispute

The military talks between India and China kicked off once more at Chushul in Eastern Ladakh on Friday to resolve border dispute and start de-escalation of forces as soldiers were exposed to minus 20 degrees Celsius. It is the eight Corps Commander level talks between both the countries and it began at 9.30 a.m. For the first time, Lieutenant General P.G.K. Menon will be leading the Indian military delegates during the talks.

Earlier, he attended two such talks but the delegation was led by then Lieutenant General Harinder Singh who was transferred last month to the Indian Military Academy (IMA) where he would be in charge of training the future generations of Army officers.

Joint Secretary from the Ministry of External Affairs Navin Srivastava will also be part of the delegation.

"We have firmly stated to China that disengagement will happen at all friction points and not at the selected locations as they want. Our stand is clear," said a top government source.

In a clear message to China, just ahead of talks to resolve border issue, Defence Minister Rajnath Singh said on Thursday that India is facing challenges on its borders and will defend its sovereignty and territorial integrity. "India is a peace-loving country and that peace can only be ensured through the ability to deter war," Singh said while speaking at a webinar celebrating the Diamond Jubilee to mark 60 years of the National Defence College in Delhi.

Lalu's bail hearing deferred to Nov 27

RANCHI

The Jharkhand High Court on Friday deferred till November 27 RJD chief Lalu Prasad's bail plea

hearing in a fodder scam case related to Dumka treasury, after the CBI sought more time to file a written reply in the matter. The former Bihar CM, convicted in four fodder

cases, would be able to walk out of the jail if he acquires bail in the case.He has already secured bail in three other cases. Prasad's family and party supporters were expecting his release Friday but now they have to wait for more time.

The RJD president is in jail in Ranchi since 2018 December. Prasad's lawyer Kapil Sibal, who attended the court session virtually, said the ailing RJD chief, currently undergoing treatment at Rajendra Institute

of Medical Sciences in Ranchi, has served more than half the sentence that was awarded to him in the case and urged the court to release him on bail.
