DEATHS IN GORAKHPUR HOSPITAL

# SP, BSP accuse Yogi govt of 'criminal negligence'

Lucknow

Terming the death of infants in a state-run hospital in Gorakhpur as an outcome of the Uttar Pradesh government's 'gross criminal negligence', the SP and BSP on Saturday demanded a high-level inquiry into the incident. Both the opposition parties in the state have decided to send teams to Gorakhpur. "As many as 60 children have died in a government hospital in Gorakhpur in the last six-seven days. This is an example of gross criminal negligence of the BJP government," Bahujaan Samaj Party (BSP) chief Mayawati said in a release here. Blaming the Yogi Adityanath government for the tragedy, Samajwadi Party (SP) president Akhilesh Yadav claimed that a shortage of oxygen supply in the hospital led to it.

Uttar Pradesh Health Minister Siddharth Nath Singh and Medical education minister Ashutosh Tandan visits BRD Medical College where at least 30 children died in the past 48 hours, in Gorakhpur on Saturday

"The company supplying oxygen had informed the principal (of Baba Raghav Das Medical College Hospital) that it would stop the supply if payment was not made and the government must be aware that the deaths have been caused due to a shortage of oxygen," he said. Stating that the exact toll was not available with the opposition, Yadav said, "We have received information that as the children were dying, their families were being taken out of the hospital in a hush hush manner." Demanding a high-level inquiry into the incident, Mayawati said all possible help should be extended to the bereaved families. "As it is not in the nature of the BJP to accept its follies, the matter of dismissing the departmental min-

isters for this negligence should be left on the wisdom of the chief minister," she added. The BSP supremo further alleged that the issues of peoples' welfare were of no importance "for the governments of the BJP". "Issues like tiranga (tricolour), vande mataram, madarsa, anti-romeo squads -- which divert the attention of the people -- are of more importance to them," she said. Mayawati added that as the incident took place at a time when the chief minister was on a visit to Gorakhpur and "taking time off his political activities and puja-paath, was doing government work", it raised "a hundred questions on the capacity and working of the BJP government". A six-member SP team, led by Leader of Opposition in

the state Assembly Ram Govind Chaudhary, has been asked to submit its report to the party chief by August 13 and a three-member BSP team, led by its state unit chief Ram Achal Rajbhar, has been asked to rush to Gorakhpur. Meanwhile, Masood Ahmed, the state unit president of the Rashtriya Lok Dal, said it was a "matter of grave concern" that the district administration and the hospital were "trying to hide their shortcomings" and demanded the resignation of state health minister Siddharth Nath Singh. "The health minister should resign on moral grounds. It seems he had been busy working as a spokesman of the government and does not have the ability to work as the health minister," he alleged. PII

## CM, health minister should resign: Cong

New Delhi/Gorakhpur

The Congress on Saturday held the Uttar Pradesh government 'responsible' for the death of 30 infants at a state-run hospital in Gorakhpur, and demanded the resignation of Chief Minister Yogi Adityanath and Health Minister Siddharth Nath Singh.

Senior Congress leader Ghulam Nabi Azad, who visited Baba Raghav Das Medical College in eastern UP, along with party colleagues, expressed deep anguish over the death of 30 children, allegedly due to shortage of supply of liquid oxygen, in a span of 48 hours. He said, "This incident took place due to the laxity on the part of the state government. We hold the state government responsible for it. The health minister and the health secretary must immediately tender resignation. The doctors should not be blamed for this." Earlier, Congress spokesperson Manish Tiwari said the chief minister and the health minister should resign taking "moral responsibility" for the deaths. "There are clearly two dimensions to it, that of criminal culpability of all those who are responsible -- the hospital administration, the oxygen supplier and the district administration which is supposed to exercise superintendence over the hospital, and the other is the moral responsibility of the chief minister."

"While all those responsible must be charged with criminal culpability accounting to murder...there is a moral dimension which the chief minister of Uttar Pradesh and his health minister must take responsibility for and resign immediately," he said. Taking a swipe at the Uttar Pradesh health minister, the Congress leader tweeted, "UP Health Minister who only seeks votes in Lal Bahadur Shastri ji's name - he doesn't follow Shastri ji's high morals in politics... Shastri ji resigned taking moral responsibility for railway accident, @sidharthnath holds on to power even after death of infants(sic). Singh is grandson of former prime minister Lal Bahadur Shastri. Health Minister Singh had yesterday told PII. "The deaths of children were very unfortunate and the government will set up an inquiry committee to ascertain if any lapse has been there and if anyone is found guilty he will be made accountable." PII

## Have strategy to counter Cong 'polarisation politics': BJP

Bengaluru

The BJP would neither interfere in the Lingayat religion issue nor use Kannada language row as a political tool to counter the "polarisation politics" of the Congress in Karnataka, senior BJP leader Suresh Kumar said on Saturday.

"Congress is playing polarisation politics in Karnataka, and we have a strategy to counter it under the leadership of Amit Shah," Kumar told reporters after receiving Shah at BJP office here.

"We are very, very clear about Lingayat religion issue. The issue will be resolved or solved by that particular community."

We don't want to add, we don't want to interfere in any manner in this issue," he said. The Congress support to a separate religion cause ahead of the 2018 Assembly polls was seen as an attempt to cause damage to the BJP, which enjoys considerable support from the community. PII

# Sack SuMo over Rs 1,000 cr scam, Lalu to Nitish

Patna

RJD chief Lalu Prasad on Saturday targeted BJP leader and Bihar Deputy Chief Minister Sushil Kumar Modi over a Rs 1,000 crore scam, and demanded that Chief Minister Nitish Kumar sack him and get him arrested for 'direct involvement' in the scam. A day after he demanded a CBI probe into the scam involving Modi and an NGO, where funds were allegedly illegally

transferred to private accounts between 2005 and 2010, Lalu Prasad said: "Nitish Kumar should sack Modi from his ministry immediately if, like he says, he has zero tolerance against corruption. He should lodge an FIR against Modi and have him arrested. There is solid evidence of Modi's involvement in the scam when he was Bihar Finance Minister." Lalu Prasad threatened that his Rashtriya Janata

Dal will not allow functioning of the monsoon session of the Bihar Assembly beginning in the third week of August if Modi is not sacked. Lalu Prasad said Modi is not the only senior BJP leader involved in this scam, which he said was "bigger than the fodder scam" that surfaced in the mid 90s. "Modi and other BJP leaders, including BJP MP Ashwani Kumar Choubey, Manoj Tiwari and former Union Minis-

ter Shahnawaz Hussain, are involved in the scam." "This scam happened in the full knowledge of Modi, who was Bihar Finance Minister from 2005 till 2013 June. As Finance Minister Modi is responsible for the scam," Lalu Prasad said. He RJD leader recalled that charges against him in The fodder scam are that he was Finance Minister at the time and was thus responsible for the fodder scam.

# NC trying to create fear psychosis over Art 35A: BJP

Jammu

The BJP on Saturday accused the opposition National Conference of trying to create a "fear psychosis" among the people of Jammu over the issue of Article 35A of the Constitution. The saffron party, which is in power in Jammu and Kashmir in alliance with the PDP, alleged that the NC was responsible for promoting majoritarianism "at the cost of minorities in the state. The party was reacting to a statement by the Jammu provincial president of the NC, Devinder Rana, on the issue of Article 35A of the Constitution, which defines the residency laws in Jammu and Kash-

mir and bars outsiders from buying any immovable property or applying for jobs in the state government. "We are taking a serious note of the statement...he (Rana) tried to create a scary picture of the ill-effects on the people of Jammu region if Article 35A is held illegal by the Supreme Court. He is creating a fear psychosis," BJP state spokesperson Anil Gupta said. "His (Rana) statement that Jammu will be affected far more than Kashmir since no outsider will flock in hordes to settle in Jammu clearly indicates the mindset of his party that has always advocated policies of exclusion," he said.
